

# LAKELAND *paints*

## PRODUCT ADVICE

### LAKELAND FILLER-SEALER (for sealing fillers)

LAKELAND paints offer a completely unique range of decorative finishes. It's the only range of totally solvent-free paints available anywhere in the world today, independently tested to reveal 0.0% VOCs (Volatile Compounds).

VOCs are a major contributor to low-level atmospheric pollution and the use of these compounds leads to global warming. In addition, the use of solvent-based paints is a major cause of, asthma, allergies, sick building syndrome, chemical sensitivities and the general flu-like symptoms reported by many people using conventional paints, including Matt and Silk wall paints.

Most paints currently on sale, both gloss and emulsion, contain solvents and VOCs. LAKELAND paints contain none.

As a result they are ideal for use throughout the home, particularly children's bedrooms, nurseries and kitchens, especially if you or a member of your family is chemically sensitive or suffers from asthma or allergies.

#### Where to use:

This is a clear & colourless liquid used on top of Fillers to seal, particularly before the use of Gloss, Satin, FengShui or Eggshell paints. We recommend the Lakeland Interior Filler or Polyfilla brand of fillers. We cannot recommend Tetrion or own-brand fillers.

#### Availability:

100ml or 1L container.. Available direct from Lakeland Paints.

Coverage: 1m<sup>2</sup> per 100ml pack depending on surface porosity.

#### Preparation:

Abrade the dry filler to a flat surface & brush/wipe free of dust.

#### Application:

Apply thinly over all areas of fillers BEFORE priming or otherwise painting & allow to dry thoroughly before overcoating (min 3 hrs). Normally touch dry in 1-2 hrs.

#### Storage:

This product is water based and must be protected from frost and extreme temperatures. Use within 12 months of purchase. We accept no responsibility for the deterioration of contents or packaging after this.

#### Disposal:

Lakeland Paints, Unit 19, Heysham Business Park, Middleton Road, Heysham, LA3 3PP  
01524 852371 [www.lakelandpaints.co.uk](http://www.lakelandpaints.co.uk)

Though water based, please do not dispose of into watercourses. Waste materials must be disposed of in accordance with the Environmental Protection Act 1990 and relevant regulations made there under. For further information contact the Environment Office at your local council.

**Health & Safety:**

Avoid contact with skin and eyes. In case of contact with eyes, rinse immediately with plenty of water. After contact with skin wash off with water. Keep out of reach of children.

Safety Data Sheets are available on request.
