PRODUCT ADVICE

LAKELAND SHED & FENCE TREATMENT

LAKELAND paints offer a completely unique range of decorative finishes. It's the only range of totally solvent-free paints available anywhere in the world today, independently tested to reveal 0.0% VOCs (Volatile Compounds).

VOCs are a major contributor to low-level atmospheric pollution and the use of these compounds leads to global warming. In addition, the use of solvent-based paints is a major cause of, asthma, allergies, sick building syndrome, chemical sensitivities and the general flu-like symptoms reported by many people using conventional paints, including Matt and Silk wall paints.

Most paints currently on sale, both gloss and emulsion, contain solvents and VOCs. LAKELAND paints contain none.

As a result they are ideal for use throughout the home, particularly children's bedrooms, nurseries and kitchens, especially if you or a member of your family is chemically sensitive or suffers from asthma or allergies.

Where to use:

All exterior rough or planed timber including fences, sheds, gates, trellises, pergolas, etc. Not ideal for decking or furniture.

NOTE: This superior quality product has been specially formulated to inhibit mould and algal growth, but in keeping with our environmental credentials CONTAINS NO TOXIC ALGICIDES OR FUNGICIDES and so it is not suitable for areas which are permanently wet. Availability:

In 5 litre tins. 10 colours, available direct from Lakeland Paints.

Coverage: 20-40m² per 5 litre/per coat depending on surface porosity

Drying time: Touch dry in 1 – 2 hours. Recoat after minimum 6 hours.

Sheen level: 15%

Preparation:

Surfaces must be sound, clean, surface dry and free of fungal/algal growth; any such growth should be pre-treated with LAKELAND LONG-LIFE INSTANT ALGICIDE & allowed to weather for a period of four days then loose material removed with a stiff brush.

Painting:

Do not paint in temperatures below 5°C or above 25°C or direct sunlight.

Lakeland Paints, Unit 19, Heysham Business Park, Middleton Road, Heysham, LA3 3PP
